

# Vivian Ning Wei

ETHEREAL / CINEMATIC / ELECTRO-POP

## A voice to step inside.

Vivian Ning Wei creates ethereal, cinematic electro-pop. Her voice moves from intimate lower-register phrasing to soaring, emotionally charged highs, balancing delicacy with power.

A Berklee College of Music graduate in Vocal Performance, she pairs expressive storytelling with intricate vocal arrangements. Working with producer Kiki Liu, she builds atmospheric songs that leave space for the listener's own memories.
